Your help is needed
Schunatz Family Fundraiser

While most people were celebrating the beginning of 2010 in the town of Greenwich in northern Richland County people were mourning the loss of a young family. John Schunatz, age 39 his wife Lisa, 40, and children Jeffrey , 6, and Valarie, 4, perished in an early morning house fire on January 2, despite heroic efforts of firefighters and others. Only son Daniel, age 5, survived and was taken to Akron's Children's Hospital, which he is now home. Lisa daughter Lauren, 16, was not home at the time. To make matters worse, the family had no insurance.

Hello my name is John Finley. I have helped with many fundraisers in the past and once again a need is there for your help.

Thanks to the Mansfield Moose Lodge we are having a fundraiser for the family which will be an all day event with kid games, a magic show, a live auction, and live music.

I am asking of you for a donation of a item or items to be sold at the live auction. All money raised will go to a fund that has been set up at Richland Bank, Mansfield Ohio. All talent are offering their service free of charge.

Please contact me with your item or items. My cell is 567-203-2765, email is

LUCASBREADFAW @ YAHOO . COM

No item is too small nor is it too big. Love and giving has never been measured by size.

This event will be held Sat Feb 20th at Mansfield Moose Lodge #341 970 Lucas Rd (State route 39) Mansfield Ohio Start time to be announced.

Thank you and bless you, John "Fin"
