As incoming president I would like to thank our past officers for their dedication and service to our club. Most of the officers were at the Moose Riders state meeting in Springfield on January

9th, a good time was had by all and I think we all left with some good ideas to make our club better in 2010. I would like to encourage all members and prospective members to see how they can get involved and contribute to the betterment of the club.

Don't forget we hold a dinner the first Friday of every month and will soon have tickets available for our Laptop Computer to be raffled off and be given away at our dinner on March 5th.

Tim Giles  
 President
