Administrator's Desk

By: Jeff Cunningham administrator

I'd like to start off by welcoming our new members, and member transfers. Thank you everyone that has helped with another successful Mini Raffle Steak Fry, and also past raffles and function.

Thank you to the kitchen volunteers. *****Help Wanted*****

We need help serving and taking orders in the kitchen. If you would like to volunteer a little of your time please let me know. It would be so much appreciated.

I am planning to go to the Administrator's classes. Past officers and members I would like to introduce myself to you and would love to hear your ideas and experience suggestions.

We want your ideas

Click here to tell Moose how we can better serve You!

I want to remind everyone that we still have a suggestion box; it's by the main entrance door. If you have a suggestion or complaint you can use the suggestion box or drop it in the mail slot of the administrator's office door either way it is always better to sign your name, so I can get back to you with a response or if there is any questions that need asked. If you have an idea that would make things more enjoyable to the members I would love to hear it. We really do want to hear from you if you are happy or not with any part of your experience at the lodge. I am looking forward to the New Year and the upcoming activities and events that 2010 will bring to our lodge. I hope that everyone will continue to support our lodge.

Do to the constant increase in postage cost. We would like to save money and e-mail your news letter to you. Please provide us with your e-mail address or stop in and pick up your news letter. If you do not have an E-mail address or cannot make it in the lodge please give us a call and we'll mail your news letter to you.
