Now that I have your attention... We are looking for a few good men...and women to help with some of the many tasks done behind the scenes.

Whether you can spare 1 evening a week or 1 evening per month, volunteering is a great way to allow you to get to know one another and help your lodge at the same time. Have a special recipe? Show off your cooking talents for a member- prepared lunch special.

Have some fun while helping to take a little of the load off of our staff and officers. You'll feel great for having volunteered and your lodge will be a little bit better all because of the secret ingredient in our success....YOU!

Please let me know how we can utilize your time and/or talents.

Thanks!!!!!!

Ed Smith

Ladies,

Happy Valentine's Day to all.

Remember that we have a BAKE SALE the first Friday of the month and donations are welcome. This is one of the fund raisings we do as to avoid raising dues.

Thanks to all who are helping the Salvation Army with your donations of food that we find in the baskets in the Social Quarters. The Army is most appreciative and we know that the supplies are getting to those in need.

With the nasty weather, we urge you to come to lodge for fun things to do to get over the winter blues.

There is Wii bowling, pool tables, corn hole (inside), Friday dinners, D/J/Karaoke, Saturday meals and entertainment.

The lodge is always looking for volunteers to help out even if you can only give a few hours a month. This is your lodge and help is needed.

Nominating meetings are being held this month beginning on Feb. 11th at 6:30. This is for WOTM Chapter 907. If you are interested, slips are available on our bulletin board.
