## MOOSE FAMILY CENTER

### MY BROTHERS AND SISTERS

Well now, as I begin to write this. I just realized this is my last newsletter. It's hard to believe another year has passed. I'm not sure if it was too soon, or not soon enough. I suppose it matters who you talk to.

With that aside I would like to thank all those who have helped me through the past two years. First, I would like to thank all those who have volunteered. Whether it be cooking or helping with some sort of function. Your efforts have been gratefully appreciated! Our lodge is better because of people like yourselves.

Secondly, (I learned this word on Ritual Staff), I would like to thank Danny and the entire Board of Officers for all their support through the past two years. I'm extremely proud to have been a part of this group of gentlemen. Fellas, I say "Job Well Done."

This would not be complete without giving thanks to Terri. Thank you for putting up with me through this entire process. Whether or not we agreed, you always were the gracious hostess, the foot in my backside or the voice of reason in my head. For this I say Thank You.

Support your new Governor and Board of Officers in the coming months. No newsletter would be complete without the usual closing. **Get Involved, Attend Meetings, and Sign New Members.** You are the biggest part of our lodge. Again, it has been an Honor and a Pleasure to serve as Your Governor. Thank You.

Todd St Clair  
Governor

Proper Dress: No Tank tops, No cutoffs, No hats, No markings or words or gestures of an obscene nature are permitted on any type of clothing. No tops that expose midriff area, no short shorts (ie, cut offs that expose buttocks). Shoes must be worn at all times. Also no drinking will be allowed on the dance floor. This dress code and rules will be enforced.

I would like to take a second to thank those lodges that brought food and helped work our hospitality room at this year's midwinter conference — Ravenna, Medina, Cuyahoga Falls, Northfield, Barberton and Mogadore.

Since I'm District #11 President it was Mogadore's turn to run the room. Also I would like to really thank Keith Fraser, Charlie Hafner, Brian Sickle, Todd St Clair and my best buddy Dan Hudkins who was the person that took most of the blunt to really putting everything together.

Also to my sisters, Debbie Maines, Jenny Brearley, Paula Miller, Dee Koehler and my best girl friend Terri (Cindy Lauper) Graham. It shows what a great fraternity this Moose Association has.

Thanks Again  
Bob Jenior

## WOTM Co-Workers

Wow, winter is actually coming to and end! At least the calendar says so. It's time for March winds, crocuses, April showers and daffodils.

The W.O.T.M. calendar is rather full also. But first, an update on a few things. Ginny Brearly and Debbie Maines delivered a car load of things collected for the troop's care packages to a very grateful American Legion Commander John Lake Jr. in Mineral City. Anyone wishing to submit a name to receive a care package in Iraq or Afghanistan may contact Ginny or Debbie for John's address and phone number.

W.O.T.M. donated medical supplies for earthquake victims in Haiti. Terri Graham bought and drove them to the Cleveland TV Station, Fox 8, who were having a drive.

Terri also shopped for and delivered the clothes and toys that W.O.T.M. gave to two families at the women's shelter at Christmas.

Sheryl Howiler hosted the Green Cap meeting Monday, February 22, with the Academy of Friendship meeting following a brown bag auction held as a fundraiser. It was very entertaining with Vicky Vincent as the Auctioneer, These auctions are lots of fun and you do not need a lot of money to bid.

The Academy of Friendship Committee will be holding another brown bag auction on Monday, March 22, about 8pm. Any one can attend the auction. There also will be a steak dinner on March 13th.

It's time for nominations of officers. Anyone wishing to be nominated for an elected office may put in writing their name and the office they would like to be considered for and give it to any officer or nominating committee member.

Election will be held in March and installation in April. New officers take over May 1<sup>st</sup>. Guide, Assistant Guide, Musician and all twelve chairmen need to be appointed by the ingoing Senior Regent. If interested, contact any officer. Please ladies, your chapter needs your help!

In order to earn our Chapter Awards of Achievement, we need to sign up and enroll a lot of members by the end of April. We also need to retain the ones we've got. We need to get busy on this!!

We were very saddened to learn of the passing of our beloved long time College of Regents member Fran Pittman. W.O.T.M. services were performed with College of Regents in Charge. Our sympathy goes out to her family. She will be greatly missed.

As I leave the office of Senior Regent, I want to thank all of my officers and co-workers for their support. You cannot do this job without all your help. Thank you so very much, ladies.

Marilyn Hooper  
Senior Regent

## N.S.F. CHECK

## **ON THE LIGHTER SIDE**

DURING A BASEBALL GAME, the coach asked one of his young players, "Do you understand what cooperation is? What a team is?" The boy nodded. "Do you understand that what matters is whether we win together as a team?" The boy nodded. "So," the coach continued, "when a strike is called, or you're out at first, you don't argue or curse or attack the umpire. Do you understand all that?" Again the boy nodded. "Good. Now go over there and explain it to your father."

A YOUNG BOY arrived home from his first day at school. "Nothing exciting happened," he told his mother, "except the teacher didn't know how to spell 'cat,' so I told her."

THE ZIP CODE in Washington, D.C., is being changed to 00000, Nothing there adds up, anyway.

THE BUSINESS MAN dragged himself home and barely made it to his chair before he dropped down, exhausted. His sympathetic wife was right there with a cool drink and a comforting word. "My, you look tired," she said, "You must have had a hard day today. What happened to make you so exhausted?" "It was terrible," her husband said, "The computer broke down, and we had to do our own thinking."
