The BIGGEST littlest Lodge in the State of Ohio

Word of the summer, Community! The time of your life. I can not express enough the importance of your good neighbor. Things seem to come and go, which can be so simple but so far. As a person you must stop and look around and see just what you are doing as well as your brother & sister. Take a deep breath and say thank – you. Many have come before you and many will come past. You know some who died for honor and some for not, but always remember why they have passed. Life will always bring you in that full round about way in which some day we say thank-you again.

Community is what the Moose is about ! It's not just me or you. The men and women who make the simple things happen that go unsought that will forever live in my heart and yours. Your place in life that can make a difference in many lives right here in Creston OHIO. Your membership is very meaningfully to the Community.

Now we can not change the world with just simply joining the Creston Moose. I assure you personally that I will do every thing to ensure the welfare of it's members of this community and beyond. Plain, Just plain and simple to the many VOULUNTERS WHO CARE Thank –You! In the past few years we have been constant in giving back to the kids. We avg. over \$10,000.00 each year to the Norwayne High School and Middle School . These funds are made side by side with the parents and the kids of our future community. This is a win, win for all who get envolved. We also make good to all our obligation to Moose Int. for Moose Heart Child city and Moose Haven and we are recognized as one of the leading lodges in the State.

As a member that may not come in every day, We say Thank-you. The ones who are able to stop, we say Thank-you. To all other who have not stopped we say Welcome to Ohio and our Community. We are always taking donation too better our lodge. See you soon and GO BUCKS. JB
