LEGION OFFICERS

GOVERNORS CORNER

SENIOR REGENT CORNER

The lodge needs all the help we can get from our members. Our office has had more expenses than expected over the last few months. We need to get more activities going and someone to help run them.
We did great on the Crab races, even with all that is going on in June with graduations The Officers and Staff of this lodge will be doing everything possible to get us back on track. This is going to take time and working together.
We still have our meetings on the Second and Fourth Wed of each month, would like to see you there.
Fraternally Your Governor Linn Ackers
