## Lodge Membership Card key Card System

We are starting to implement our new Key Card system using the Members Dues Cards as our Key Card to gain entrance to the Building. The old white key cars will no longer work, and you can dispose of them. We do have to manually enter every member's card into the system. We are asking every Port Clinton Lodge and Chapter Member to stop in the office with your dues card so we can do this. If no one is in the Office, and if you feel comfortable leaving them to be picked up later, or we could mail them back to you, please do so. You could also mail them to us, and we will mail them back to you. In the near future, we will also be using the Dues Cards to sign up for the Daily and Weekly drawings.

Thank You for your Help. Patience and co-operation. The Lodge Board of Officers

### From the desk of the Governor:

I wish to hope that all of you have had a good summer so far.

The lodge has been busy. We are getting the new door system on line, stop in and get your Moose 093card entered into the new system. It will take time to get everyone entered, once it is complete, you will only need your dues card to enter through either door.

I would like to welcome aboard new officers, Tom Stokes as Junior Governor and Ernie Hopkins as 358 one-year Trustee. I wish them well.

The Board of Officers are looking for a new administrator, if you are interested in applying for the position, stop in the Lodge office and complete an application. I hope to have someone on board soon.

I want to wish everyone a safe and happy 4th of July.

Some of the officers will be in Nashville, Tenn. for the International Moose Convention over the 4th, you all please come on out to the Lodge and enjoy the fireworks from the patio from all the surrounding areas displays.

I regret to inform you of the recent death of Joel Lucal, one of our beloved long time members, also to ask you to send a Thinking of you Card to Cyril Wesley who is now in Riverview Care Center. I extend my best wishes to any ill members.

Fraternally, Garrett Lee, Governor.

### From the desk of our Treasurer

I am writing to inform the membership, that administrator Tony Robinette chose to terminate his employment with our Lodge on Tuesday June 1<sup>st</sup>.

I, myself, and many of the members I have talked to, hated to see this. Tony and I worked well together, and he had made many friends in the Lodge.

The Lodge Board of Officers are back to finding another Administrator. If any Lodge Member is interested in this position, would you please put a resume together and submit it to the Lodge Board of Officers.

Fraternally, Don Lazenby Treasurer

### CASINO TRIPS

The July 7<sup>th</sup>. Casino Trip to Motor City has been changed to Wed. July 14<sup>th</sup>. Everything will be the same as it was for the July 7<sup>th</sup>. Trip. The Aug. 4<sup>th</sup> Trip will be to Greek town as will be the Sept. 1<sup>st</sup>. Trip. We apologize for any inconvenience, and look forward to seeing you on the Trips.

Don Lazenby Trip Chairman

### Patio Committee

We have received many compliments and suggestions from members to improve the patio. As with all improvements, money is a necessary commodity to complete the projects. There is a large patio donation jug on the steps going out to the patio and we appreciate any change or currency to help us. ALL MONEY expended to build and maintain the patio has been donated. NO LODGE FUNDS HAVE BEEN UTILIZED. We could also use some help in keeping weeds and litter cleared from the patio. Two electrical outlets and a water spigot is desired on the patio to help in the maintainance and coming electric decorations. Do you know of an electrician and plumber willing to donate their time?

So far this year, your patio has been utilized more that all of last year. On busy nights, the waitresses have been serving members dinners on the patio.

THANK YOU FOR YOUR SUPPORT

Bruce Ford Chairman Patio Committee
