Hello everyone,

This is a busy month at our lodge. There is something on the menu for everyone, from burgers to steak and shrimp. Come on out and enjoy. We have plenty of live entertainment and karaoke as well.

It's time to form the Nomination Committee and start preparing for the election of officers. The committee must be formed and organized by Feb.15th. All offices shall be nominated with the Nominating Committee report at the last general membership meeting March 15th, and the election shall be the first meeting April 5th. Any member wishing to run for elective office must submit his name to the committee at least one week prior to the date of the committee report to the lodge, which will be March 8th. The Nomination Committee shall consider all eligible candidates for each office to be filled. The names of the nominees chosen by the Nominating Committee shall be placed on the official lodge ballot. Offices up for election consist of: one trustee, treasurer, prelate, jr governor and governor. For the offices of prelate and junior governor, you must be a member in good standing for, at least six months. For governor, you must be a good standing member and held elective office for one year. Whew!! Got all that!!!

I would like to thank Thelma and Charlie Meddles. They donated their time and vehicle to take the cans to the recycling center and then donated the money back to the lodge. Thank you.

The membership drive is in high gear. Bring a friend to the lodge and sign them up. That will make you the "Bull Moose or Bull Moosette" of the day and earn you one free token for the drink of your choice.

Bring your sweetie to the lodge for the pancake breakfast on the 14th. Sweet smooches are guaranteed!!

See you at the Lodge,
Jeff Davis Governor

With great sorrow we must report that our defending circle has been broken

Administrator notes:

Hello everyone!

Boy, has it been cold! I'm still having problems with this Global Warming Theory that's being pushed on us. Someone needs to let Mother Nature in on it.

Starting Feb. 1st, our non-sufficient fund check policy will change. I have contacted a collection agent and I am turning these checks over to them as soon as they arrive from the bank. At the same time the person will lose all Lodge privileges and I will start proceedings to remove their membership. I realize the economy is bad but there should never be a check written if you don't have the funds to cover it.

Please remember to shut the door leading out to the smoking patio. We've found it standing open a few times and it causes the lodge to get cold let alone what it does to the heating bill.

It's getting to be time for the R. Robert Dale Scholarship. Moose members that have a junior in high school can get more information at www.ohiostatemoose.com.

On March 20th the Ohio State Moose Association will be holding a Euchre Tournament at our lodge. All members are welcome. Breakfast will be available at 9 am and you must be register by 11:30 am.

Nascar will be starting back up this month so come enjoy the races on our big screen

I guess that's it for this month. See ya around the lodge.
Fraternally, Daryl Clay, Administrator

Legion news

Feb. 5th will be the next Legion fish fry. A dinner is \$8.00 or a platter of fish is \$6.00. Legion members remember, show your Legion card and receive \$1.00 off your meal. "Stand Down Band" will entertain 7-11 pm. Our last dinner was hindered by the snow and extremely cold temps! Hopefully the weather will cooperate with us on the 5th.

Some of you may not know and some have asked, if you can get involved in helping with the dinners. We could always use extra hands serving, cleaning, preparing or even some input or a new face in the mix to laugh at the jokes that are told when we are in the kitchen. We really do have a good time when working together. The legion is a great group of guys. If you're not a legion member come see me and I will let you know whether you are eligible or what you need to do to become a Legion member. Now is a great time to join, we have lowered our cost to join!

Last month winners for the Legion drawing: 12/27th, Robert Dunn, not signed - 1/4th Michael Skaggs, not signed - 1/10th Keith Cordova, not signed - 1/17th Larry Nickle, signed but not present.

Our legion winter celebration held at Col. #11 was great! If you don't participate in these celebrations you are missing out on a great time! Our next one is in Newark, April 11. We would like to see all our legion members attend. If you need a ride, let me know and I would be more than happy to take a car load with me when I go.

Spring is just around the corner and we will again be maintaining the lodge grounds. If you can help, let Hoot know.

Hope to see you at the Lodge, Mike Terry, Asst. Sect

Get Well to: Mike Phipps, ill - Harold Horch, auto accident, both recovering at home

Condolence to: Jody Morris on the loss of her sister, Naomia Smith - Kevin Monroe on the loss of his mother - Jewell Kimble on the loss of her son, Ronnie - Sherry (Shawn) Daniels on the loss of her mother.

Moose Rider news

Hello Moose Riders,

Made it through another holiday season and looking forward to being on 2 wheels soon. We had our election at the January meeting, the results were: President, Marvin McDaniels - Vice President, Tom Johnson - Secretary, Gail Johnson - Treasurer, Carla McDaniels - Herd Coordinator, Steve Riggs - Sergeant at Arms, Rick Cline - Prelate, Sue Holstien. We also decided on some event dates: Valentines steak dinner on February 12th - yard sale on March 20th and our annual scholarship auction on May 22nd. Next meeting February 7th at noon, see ya then.

Ride Hard,

Steve Riggs Moose Riders Coordinator

Buckeye Club news

Hello Buckeye fans!! The turnout for the Rose Bowl game was very good. Champs once again!! Hope to see all of you at the spring game.

We will continue to cook dinners all year round to help support our lodge. Our next dinner will be Feb. 27th with steak and shrimp. We do need some help. Charlie Tatman's band "Bad Influence" will entertain for the evening.

Go Bucks Mike Terry & Thumper

On 12-12-09 there was an exceptional event that took place at our lodge that I feel needs to be addressed and those that took part in the event should be recognized for the exemplary efforts. As you are all aware, The Buckeye Club and the Moose Riders recently purchased and provided new tables for the back ~~side~~ of the lodge. These tables needed to be picked up, off loaded, and assembled, and placed in the proper position. In addition to this, the existing tables needed to be moved to the lower level. Without the extremely generous efforts of the below mentioned personnel, this transaction could have taken a very long time to be completed. Sometimes all that you hear about are the bad things that happen within our lodge, and I for one feel that it is time for us to hear some positives and recognize those individuals who voluntarily give their time and efforts to ensure that this transaction took place smoothly and efficiently. I think that once again it proves that we have an outstanding membership base, and that our members are the best of the best. Hopefully these actions will somehow be able to perhaps allow our lodge to enter into the housekeeping award for 2009. Those that gave unselfishly are in no particular order and are as follows: Rick Terry, for the use of the trailer to pick up the tables - David "Thumper" Kaufman - Bill "Hoot" Gibson - Bryan Norris - Mark Lamneck - Larry Reaven - Roger Guisinger - Adin Mullet - Kent Young - Zach Coleman - Johnny Stephens and Garrett Stephens.

Yours sincerely, Doug Queen

WOTM news

Ladies it's that time of year again when we ask everyone to consider running for office. New faces and new ideas are always needed.

We will be selling Valentine hearts and raffling a Valentine basket, for our fundraiser. Proceeds will be sent to the Educational Advancement Program at Mooseheart. A pancake breakfast will be served on Feb. 14th for a small fee.

Come on out and support your Chapter.
