Hello everyone,

With record setting snowfall in February, I hope that March does come in like a lion and out like a lamb. I'm tired of winter and ready to play golf.

The calendar is full of events this month with something for everyone, including the state euchre tournament being held at our lodge on March 20<sup>th</sup>. Get here early for breakfast and play cards all day. Lunch will also be served so there is no reason to leave.

The election of LOOM officers is next month and the nominating committee is working hard to fill all the openings. If you are interested in the inner workings of your lodge, attend a membership meeting and talk to the officers about becoming an officer. New ideas are always welcome.

All members in good standing are encouraged to attend the membership meeting on the first and third Monday of the month at approximately 7 PM. Come out and hear the impact your lodge makes, to our community, Moosheart and Moosehaven.

Speaking of Mooseheart, the OSMA special project is the renovation of the athletic facilities. This will be a multi-million dollar project and your help will be needed. Remember the oath you took when you were enrolled and see an officer to help with donations.

Nascar is revved up so come out and watch the races on our big screen TV. Drink specials are available and don't forget "March Madness" begins soon. We will have all the games on here with our many HD TV's.

We have to thank Kent Young for plowing the parking lot and shoveling the walks. He has done a great job and is available to do your plowing as well. Also thanks to Mike and Rick Terry for donating time and skid loaders to remove the snow.

Last but not least, I have two big announcements to make. Our "Moose of the Year" is Bryan Norris and the Rookie of the Year" is Johnny Stephens. When you see them in the lodge, congratulate them and let them know we are proud of them. Way to go guys!!!

See you at the Lodge,  
Jeff Davis Governor

With great sorrow we must report the passing of  
Mike Johnson & Larry Lincoln  
may our Brothers rest in peace

### Administrator notes

Hello everyone!

Your officers attended the Ohio State Moose Association convention in Cleveland. The main topics were membership retention, Mooseheart and Moosehaven. I would like to write a little about each this month.

As you know it is essential that a lodge retained its members. Without them there would be no lodge. I know at times there might be something that is negative to the way a members feels about the lodge. If this happens, please don't stop coming in. Tell me or an officer about it or better yet come to one of the membership meeting to discuss it. I guarantee if I know about it, it will be dealt with. The officers and I are trying to make your lodge a place all our members want to come to, so we have installed a suggestion box upstairs. Just remember the suggestion needs to be for the overall good of the lodge and not just the benefit of one or two members.

For those that don't know Mooseheart and Moosehaven are our Child City and Senior Retirement Community. Part of your yearly dues, money collected from our 9:00 pm ceremony and endowment fund collected go to the maintenance and renovation of these two campuses. Right now we have a program going on called "Gimme Five". This program asks each member that can, to donate \$ 0.05 (five cents) in the morning and five cents in the evening. This would total \$36.50 per year. If you would like to contribute to this worthy cause, you can send your contribution to Moose Charities, 155 International Drive, Mooseheart, Il. 60539-11000, earmarked for the Gimme Five project and it will be used for nothing else. This is a registered charity and is 100% tax deductible. If you send a contribution, let me know and I will see that your name is added to the wall of honor sheet that is hanging in the lodge. Steve Riggs and I have already make our contribution and are on this sheet. Please give what you can, it is for a very worth cause.

That is it for this month, I hope to see you at the lodge  
Fraternally,  
Daryl Clay, Administrator
