LOOM News

January 2010

Another year has come and gone. We have accomplished a lot in 2009. Our Lodge has transformed both inside and out. We pulled ourselves together and look what we can do. The last two years really shows our spirit and our dedication. Let us not forget what our club stands for and all our hard work to save it. So next time you are present for an announcement or a prayer, listen and silence yourself and your neighbor. If you make a mess, clean it up. If someone gets carried away and uses fowl language, nudge them and remind them where they are at. The point I am trying to make is that a little more respect for each other and the place where we call "ours" can and will go a long way. We are a family.

We had a nice turnout on Thanksgiving Day. Skippy smoked a turkey again this year - very good, thanks Skip! Also, thanks to my guest bartender, Teri Harper. Good job, girl! The women did a nice job for the Children's and the Adults' Christmas parties and the New

Year's Eve party was a good time, too.

The decision has been made to discontinue mailing all the newsletters out every month. This letter will be the last to be bulk mailed. However, if you want a copy mailed to you we will, but we will need you to notify Melissa or Kim. You may call Melissa at 614-561-4733 or leave her a message at 740-246-6711. You may also e-mail her at librarian1008@yahoo.com or stop in and leave a message for her in Social Quarters. If you would prefer to have the newsletter e-mailed we can do that as well. You will need to make it a point to let us know. There will be copies in Social Quarters that you may pick up as well.

We have a new tent outside; it arrived right before Christmas and right before the really cold weather. It is designed to suit our smokers in the winter and our members that would like to enjoy the outdoors in the warmer months. It'll keep them (or the band) dry in the rain and cool in the sun and warm in the winter - that is versatile!

I hope everyone had a great holiday season and I look forward to seeing you at the Lodge!

News from the Kitchen

Hope you all had a great Christmas and a Happy New Year. Thank you for supporting the kitchen. Without you I wouldn't be here.

I really enjoy all of you. Looking forward to working for you for another year. Thanks!

Patty Williams

WOTM Chapter News

Our Friday night dinner (as we knew it would be), by Shawn Walker, Community Service Chairman, was great. Her helper, Cynthia Mathews, also did a raffle. Thanks, gals for a fun evening & a very successful fund-raiser for our Chapter.

The clothes donated for the Clothes Closet were delivered thanks to a few of our LOOM members helping me load the car a couple of trips. After climbing the steep steps to get to it, I sure wish I had made them accompany me. I was lucky with a couple of nice women helping me out with the last 3 times! Thanks to all our members who donated such nice clothing - they were very appreciative of the donations.

In the last final days before the gifts for the needy children on the Angel Tree had to be turned in, the WOTM and our Legion, took a child from the tree to make sure everyone received gifts. We also had 1 taken from the tree and not signed for (glad I has made a copy of the tags so I could identify the needy child and do some last minute shopping to insure she received her gift wishes). Thanks to everyone

who participated in this annual giving to the needy children in our community.

The non-perishable food items donated

also were delivered to our local food pantry & a special thank you to Melissa for helping me load the car at the last minute to get them there in time. It's a good feeling when you know that everyone who donated helped many people have a Merry Christmas who might otherwise not have been so fortunate.

We have just one more to deliver - the childrens' gloves & hats from the Christmas tree to go to Glenford for kids who tend to lose them as soon as the school is back in session after the New Year.

Our deepest sympathy to our co-worker, Brenda Wildman, on the loss of her mother.

Nadine Riggs, Recorder

Legion News

Thanks to the members who bought raffle tickets for the E-machine desk top computer to be to be drawn at the winter celebration meeting at Columbus 11 on Sunday, January 10, 2010.

The legion helped insure that a needy child had some gifts under the tree by taking a name from the Angel tree and shopping for his wish list. We have many Lodge members (& former Legion members) who are eligible to join, & now is a good time to do so as the application fee has been reduced to \$5 through April 30, 2010. This means you only will need to collect \$20 with the application (\$5 application fee & \$15 for the first year's dues). Lets get busy & sign up as many as we can during the next few months.

Looking forward to a prosperous new year for the Lodge, Chapter & Legion at the Buckeye Lake Moose Lodge who are doing a very good job of accomplishing many good things in working together as a team.

Jim Riggs
