An invitation to all recent Enrollees to set out on their Path of Progress

Harrison's 2633 success in membership growth means we are now able to invite recent enrollee's to the next level of Moose involvement. At your enrollment you were told of the

Higher Degrees of our Order. The first of these is the Moose Legion, which is now open to you.

Known as the *Do'ers of the Order*, the Degree of Service have committed themselves to a enhanced level of effort for the good of the Moose. Much of what one recognizes

If you haven't been in the Lodge on Fridays you have missed the excitement of the Double Dip Draw. Each week members and qualified guests can purchase tickets on this Draw. Each ticket cost

\$2.00 and has two chances of being drawn. The first on the Friday in the week the ticket is purchased and the second on the last Friday of the month. All income is paid out. One dollar of the ticket cost forms the weekly payout and the other to the monthly payout, which is at least four time the weekly. Tickets are on sale in the social quarters, members or guests don't have to be present to win but the prize is reduced if they are not, this amount is carried over.

Preferred Members Earn Their Own Reward Day.

Members have done such a great job in helping us grow the Officers have decided to create a rewards program as a "thank you". Beginning the 1st Sunday in May those who have sponsored a member will get a 25 cent reduction on their drinks on Sundays. Whenever the preferred member buys a drink or drinks on a Sunday, one will be discounted. Members will be issued with a "Preferred Member Card" which they need to show the bar person, when they make a purchase

Wednesday = Dinner Nights

As a trial Bob & Bud have volunteered to organize One dish meals on Wednesday nights starting in June. Such as Spaghetti and meatballs. It is expected they will cost around \$3.00 per person and some form of activity will be arranged to coincide with these meals. These could be Carpet Bowls, or Corn toss or even a kids fun night. It is hoped others will also volunteer, through the summer months, but

Being a State Board member gives me the opportunity to visit many Moose lodges. The Regional Manger Dwaine Brown has installed in us, never to do so without scouring the Lodge for the feature which makes them stand out. This can be either a positive or a negative feature. One can always learn something which is useful. The worse thing in his mind is the number of outdated notices that are posted. It shows a sloppy operation. The best thing is how friendly the staff and members are. This is one area we excel at, no one leaves us without commenting on what a friendly place we have.

Unfortunately our start up mode could lead visitors to think we were a bit sloppy. With most of our spare cash being consumed by remodeling we have little to use in communications. A stranger seeing the 16 Quota Awards pinned up could be forgiven for thinking the worse of us. But its about priorities, for when you consider what we started with and where we are now, there is nothing negative about our operation. Sure I would like a better communication board, and I include a picture of a superb set up seen in Lancaster Lodge recently but these will come.

the Moose by has come from their efforts. So many of the features of the Mooseheart Campus, Camp Ross, Moosehaven have come from their efforts. The Moose Legion even agreed to an increase in their dues, to help finance the medical needs of the Seniors at Moosehaven. It would take the whole

of this newsletter to document all their efforts, but if you would like the personal satisfaction which comes from knowing your efforts improve the lives of those we have obligated ourselves to support, why not make that first move to the Degree of Service. It is also you first move on your own Path of Progress in the Loyal Order of Moose. Talk to administrator for details.

storage area will be the envy of many. And it has all been done without any debt and by two volunteers. However it is easy to allow one self to be lulled into thinking only the big things matter. This was vividly brought home to me when I went off to the All Ohio Moose Legion Celebration without checking the supply of DOUBLE DIPTICKETS. On one level it didn't matter for someone (and I am sure I know who) took the time to hand draw them and them copy enough to get over the weekend. It is that kind of commitment which ensures our future. On another level had we had visitors, our image could have suffered, and all because I overlooked some small thing. Thanks to all who had the foresight to save that situation and its a lesson well learned. The other lesson is, the big picture always matters and we must never lose sight of it, regardless of how bust and involved things get. Below is the photo I spoke of earlier. Its something to aim for. Regards, Bob.

Wednesday's Meal's Continued from page 1

as of now there will be a meal available at 7:00 pm every Wednesday in June. These will be on a first come basis while we work out the kinks. Watch for flyers or other information for the activity planned.

Hi Everyone!.

We are so excited with our chapter, we have had two enrollments and signed up 21 new members. We now have about 43 members and growing. This is exciting for me to see how new members have embraced our lodge. The enthusiasm everyone has shown is very encouraging.

We have had some exciting things going on in the lodge these past few months because of suggestions from our new members. We had a 80's dance, Spring fling, and the children's lock-in. Everyone seemed to have a good time. Our lock-in was on Friday April 13TH.the kid's had a blast. I want to thank Kim Turner and Lisa Knollman who helped with this, they went above and beyond the call of duty and let me remind you a lack of sleep!!!! We all thought this was fun for the kids and they would probably like to do this again as would their parent!!!!

Our next project is a rummage sale on May 12th, 9-3. All proceeds go to Shawnee Springs Retirement Village. We want to contribute to the activities department. They make sure the residents have prizes for bingo's, pokeno, price is right etc..... We would like to supplement their supply to make sure these residents have fun and win prizes. If you have anything you would like to donate please call me @202-0506.

I want to take this opportunity to thank all our volunteers who help with the cleaning of the lodge, volunteer bartenders, all the behind the scene volunteers who have made this lodge possible, Thank you, you really make a difference, without these people we wouldn't be where we are today!!!!

If you would be willing to help us out in any way feel free to contact Vern or I, we would appreciate it. Our business meetings are on the 4th Monday of every month at 7.00p.m Come to our meeting and see what is going on. We are open to any suggestions you may have to better this lodge. I feel we are on the right track with the new members we have and look forward to a great year! Diane Frank Senior Regent..

Hi Everyone!.

We had a very productive year. A lot of things have happened and many things are still progressing. I would like to thank all the officers, volunteers, and the ladies especially for all their hard work for achieving our goals for getting the social quarters up and running. Would you believe, we have already enlarged the social quarters once, unfortunately the kids room was the only space suitable and that had to go. At that time we committed ourselves to replacing it at the first opportunity. I am pleased to report that even as I write this, the new Kids Zone Room is almost ready, and will be much more convenient for them

There is still a lot of work that need's to be done and any help is appreciated. The building is in need for some repair and any donations to the building fund will be helpful. Remember that the second Thursday of every month is our general member's meeting. If you have any idea's, questions, or suggestions, this is the time to bring it to our attention, In closing, thanks again to everyone and I look forward to seeing you at the lodge.

Fraternally yours. Vernon Frank Governor
