Fleming Urges Newsletter Editors To Utilize Fraternal News In Each Issue

In a January 29 email to all Regional Managers, as well as to Moose International Publications Director Kurt Wehrmeister as well as Director General William B Airey, Secretary of Operations James Fleming, who is Ohio's Official Visitor to the Mid-Year Conference, takes up the subject of absence of fraternal news in lodge newsletters.

Fleming writes: "Hello guys, I have noticed that a lot of Lodge newsletters do not have any fraternal news and that includes my home Lodge in Indiana, PA. With the assistance of Kurt Wehrmeister the below wording was developed and was sent to my Lodge. It is a short message and will not take much space. If we encourage all our Lodges to add this message to their Lodge newsletters it may entice members to look at the website and become more aware of the whole fraternal picture.

"We urge all our members to visit

www.mooseintl.org

at least weekly, for the latest news on

Mooseheart, Moosehaven, Moose Charities -- plus updates on fraternal activities, sporting events and other breaking news from around the Moose fraternity!

"In the Members Only section --

<http://www.mooseintl.org>

you can also pay your dues instantly, and change details about yourself in your individual member file!"

What a great suggestion! Here's the message once again for you to include in your newsletter:

"We urge all our members to visit

Gold Committee Chairman Danny Albert and Asst. Chairman Brian Chew Urge Lodge Sports Committees To Get Cranking With Their Golfing Programs

Yeah, Yeah, we know there's snow on the ground and lots more comin' between now and then, but it's still time to talk GOLF!

First, we ask you: How was your Lodge's golf league last year? Satisfied with it? Can you improve it?

Second, if you didn't have a league at all because of lack of enough interested golfers why not consider going to a mixed-golfing league. You know, our wives like to play too. You may want to re-format your approach to accommodate both men and women. It's a working combination!

Third, just look at the next page which contains pictures of last year's mixed-gold tourney participants. Did we have fun or not!

Try it; you might just like the results!
