## *Try This* *It Might Help Your Business*

"WIN FREE GAS!" your posters around the Lodge might proclaim. That's the BIG print. The smaller print explains that each day a member makes a purchase in the Social Quarters, he will receive a numbered ticket which makes him eligible for a drawing at the end of the month for a \$100 or \$200 or (whatever amount the Lodge can afford) for each of the three summer months.

This concept intends to draw members to the Lodge every day, on the one hand, and, on the other, to make them aware of what the Lodge does for them!

# Andy Greenaway Set to Graduate from Mooseheart High School on May 24th

*by Mooseheart/Moosehaven Admissions  
Chairman Terry Goldstein*

Ohio's own Andy Greenaway, sponsored by **Medina Moose Lodge 647**, will graduate from Mooseheart High School at Mooseheart, IL in the 91st Annual Graduation Ceremony.

As noted above, Medina Lodge sponsored Andy to Mooseheart, along with his brother Tim in January 1996. **Tim, the older of the two, graduated from Mooseheart in 2006.** Tim is a United States Marine and will be on his way to Iraq this fall with his Marine Battalion.

Andy plans to attend Cleveland State University this fall, studying Business/Marketing. In that connection, he will live with his sister this summer in Parma, OH where he will learn the landscaping business.

We all can be proud of Andy for his achievements. 'HE DONE GOOD.' I am sure that he would appreciate a card of

congratulations from Ohio Moose members, Lodges and Chapters. You can send cards to Andy to the following address:

**Andy Greenaway  
o/o Medina Moose Lodge 647  
136 South Elmwood Avenue  
Medina, OH 44256-2208**

As chairman, I would like to ask each of you who reads this article to pass the information on to those who haven't a computer.

Additionally, I hope that you understand that without you, this achievement of both Andy and Tim would never have been possible. Their success goes to show you where the "ABC" Dollar that comes out of your dues each year goes and for what that ABCD is used.

Isn't it worth every penny? I know that Andy thinks so, and HE THANKS EACH OF YOU.
