It’s great that a Lodge
has a Social Quarters
and Lodge Hall which provide something
for everyone, ranging from watching

being quite formal in a ceremony, to just a
place to take a nap, if the TV’s boring!

The Smoking Issue Re-visited . . . !

*You may not believe the content of the following
article, but it is true!*

A prominent member of the State Board recently visited one of Ohio's 1,000+ member lodges. When he entered the Lodge, he saw many signs in the entry-way and in the Social Quarters saying "No Smoking."

But the bar had ash trays, and one couple seated at the bar were smoking.

The Board Member asked the bar maid about the contradiction--that there were all kinds of no-smoking signs, yet people were smoking and ash trays were on the bar. "That's right," she told him. "Our officers are so screwed up that they changed the rules daily." The Board Member commented that such action must really confuse the members.

NOW COMES THE FUNNY PART . . .

At 5:00 P.M., the bar maid pulled all the ash trays. Being curious, the Board Member asked if the "Smoking Lamp" were out.

READY . . .

The bar maid told the Board Member that there is no smoking during the dinner hour. The Board Member asked what was for dinner and was told . . .

GET REALLY READY . . .

"There is no dinner tonight!"

Moose Legion

Ambassador's Key Club

Moose International reports that Ambassador John B Robinson, Whitehall Lodge 1245, has qualified for membership in the

2006-2007 Moose Legion Ambassador's Key Club, citing John's leadership in all areas of the Moose Legion program which builds membership throughout the fraternity.

We tack on our congratulations to John for a job well done!

Dealing with immigrants--legal and illegal ones!

In 1907, Theodore Roosevelt expressed his ideas on immigrants and on being an American. He said, "In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin. But this is predicated upon the person's becoming in every facet an American, and nothing but an American . . . There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag. . . We have room for but one language here, and that is the English language. . . and we have room for but one sole loyalty and that is a loyalty to the American people."
