Attention, Administrators and Membership Chairmen!

*Membership Promotion
Chairman Jim Monroe
Speaks Out . . .*

Right after the Moose International convention which was held in Nashville you received a packet of lapel pins from

the membership department which are to be sent to the sponsors of one member in the "Time is Now" membership campaign. If *you have mailed them out*, the Moose International membership department and I want to thank you.

However *if you have NOT sent them out*, **shame on you**, but it's not too late.

Here's an idea that may produce a few more members for your active membership rolls: Enclose a thank-you letter for sponsoring a member letter, along with the lapel pin, to all sponsors of one member in this campaign, and then stress in the letter that if they sign just one more member before April 30th 2011, their next year's dues are free. Just a friendly reminder and a thank-you may get them to go after that new or former member.

Here's another reminder: You should also be starting to plan your preferred membership party for all your sponsors. Don't forget about our O.S.M.A. short term campaigns. Please feel free to call me if you would like a short term campaign broadside. I will be glad to send you one.

Fraternally,

Jim Monroe

Don't Be Intimidated! But You've Still Got To Follow The Rules!

*Ohio State Moose Association
Secretary John R Sipes reminds
all administrators of every Ohio
Moose Lodge . . .*

In a recent email to involved Lodges, Secretary John R Sipes reminded them that the attached listing were those Lodges which had not yet submitted their "Lodge Safety Inspection Form" to Moose International.

"Please be aware," Sipes said. "This is very important to your lodge! *If your lodge does not submit this form by October 1, 2010, there is a very good chance your Risk Pool Insurance will be increased!*

Please do not take this unnecessary chance of not submitting this form. This is in your lodge's best interest. Do not spend your money needlessly! Submit your Lodge Safety Inspection Form by October 1, 2010."

Sincerely & fraternally,

John R. Sipes

One Moose Legion Secretary Voices An Opinion in re MLEC . . .

Secretary of Western Reserve Moose Legion 7
H. Brian Sickle emails Regional Manager
Dwayne Brown to say . . .

Dwayne,

I feel obliged (as opposed to obligated) to take a minute to share my thoughts on MLEC training held this past weekend at Cuyahoga Falls attended primarily by Western Reserve #7 officers, as well as a couple attendees from outside our area.

Pat Thomas (Kenton 428) was the instructor for this session. I'm sure

you've heard this previously but it is well worth repeating. Pat absolutely excels as a trainer because he whole heartedly believes in passing on the qualities that have been instilled in him to the men that have chosen to participate in the levels of higher degree, as well as our new Moose members.

This course is designed very well, but that doesn't necessarily mean it will be presented in that manner. Our session was tremendously effective because Pat did not just stand in front of the class and read verbatim what was appearing on the screen, or just flip page by page through the training material. He encouraged, in fact he insisted on, participation which naturally lead to many conversations that shined an even brighter light on the subjects being discussed.

I'm sure none of this surprises you, Dwayne. As a relatively new Moose member (5yrs) what surprises me is EVERY time I meet a group of our members (training classes, OSMA conventions, etc.) I realize how much I have to learn about our organization.

Well done.
