**AURORA MOOSE LODGE 1464 NEEDS HELP**

Due to the recent flooding of the Ohio River, Aurora Moose Lodge 1464 in Aurora Indiana needs our help. Their entire first floor has been destroyed and they need to replace flooring, walls and ceilings. Also mold has started and they are awaiting inspections by the Health Dept. All they have left that is usable is a small second floor meeting room.

Aurora is just across the Ohio border adjacent to District 1. If any lodges can help out, please send a check to:
