

**A Thank You to all who supported
"No Veteran Left Behind"**

Last month we all were saying how thankful we were for all we have in our lives. Now I am saying how thankful for all of you, that supported the Veteran collected items that you dropped off at the Cortland Moose Lodge #1012. The other collections done by family and friends was a tremendous out pouring of support from a lot of people I never met, but that wanted to help our Veterans. Last Friday Brother Governor, Steve Smith and I, traveled to the VA Hospital in Cleveland to drop off 20 boxes. On Dec. 6th we went back to volunteer our time to pass out the items. We spoke with a few of the Veteran's who expressed their gratitude for what was given to them. So for all that, I thank you all for Donating more than \$3400.00.

That was awesome.

THANK YOU,

Jim Morris

NO VETERAN LEFT BEHIND!

A Veteran himself, Jim Morris began his campaign "NO Veteran Left Behind"! With the support of the Cortland Moose Lodge #1012, Small Businesses and the community, Jim collected over 20 boxes worth \$3400.00 for the Veteran's at the Louis Stokes Veteran's Hospital in Cleveland, Ohio.

After speaking with Jackie Reed from the Cleveland Hospital, Jim was informed that our Veteran's were in need of T-Shirts, Pants, Toiletry Items, Sewing Kits, Denture Items, Magazines, Wheelchairs and many more items.

The last of the Veterans packs have been packaged & delivered to the Louis Stokes VA Hospital in Cleveland for their Holiday Shoppe Dec 6-8th!

We can never do enough for our Veterans
