

## PARENT/GUARDIAN PLEDGE

I do solemnly pledge my commitment to implement in my home the following rules and to become proactive regarding online safety as an act of love that will help keep my children safe.

1. To participate in my child's use of the Internet and to be aware of its use.
2. To encourage my child to share their Internet experiences with me and report to me any disturbing information they may encounter while on the Internet.
3. To routinely review emails, chat room logs and instant message, as well as discuss any inappropriate content that may appear.
4. To monitor my child's use of the Internet and the sites they visit.
5. To discuss with my child, content and topics that are deemed 'off limits'.
6. To set rules as to the use of the internet including times when access is permitted.
7. To learn how the Internet is used and to participate in its use.
8. To make the use of the Internet, a family experience.

In my commitment to Internet Safety and to the safety of my child, I do hereby affix my signature.
