Recently members of our Board from the Lima Moose Lodge 199 went to the Bath Township Fire Department to present them with several Tommy Moose Plush toys.

Tommy Moose aids in helping children overcome fears and anxiety during times of stress. These plush toys are often donated to law enforcement, fire fighters and other emergency workers, Tommy Moose plush dolls can be presented to children in various traumatic situations.

We would like to congratulate Brooke Metcalf for winning the \$500 District 3 Scholarship. Brooke is the daughter of Beth Metcalf and Stepdaughter of Shawn Burden. Brooke will be attending the University of Toledo this fall to major in Exercise Science. Best of Luck Brooke on continuing your education!

Greetings again,

Where has time gone? 1<sup>st</sup> let me apologize for the late newsletter, it seems like the past 3 months have flown by. There has been so much going on at your Moose Lodge lately you tend to lose track of time.

I hope you enjoy what we are doing here at 199. I know all the employees and officers and the Women of the Moose are working hard at making your Moose lodge the friendliest place in town.

One thing we are working on is doing a new member orientation. For years the Moose always held enrollment ceremonies and new member orientation so they could learn what the Moose is all about. This consisted of a ritual team performing the ritual to tell the story of the Moose.

I'm sure some of you remember going thru this but a few years back Moose Intl. did away with the ritual teams, enrollment ceremonies, and orientations and left it up to individual lodges to tell the story of what the Moose is all about. Mooseheart and Moosehaven have kind of got lost in the shuffle as a lot of lodges just sign new members to keep their numbers up, never informing them as to what the main purpose of the Moose is all about.

We here at the Lima Moose Lodge #199 are in the process of starting a new member orientation program again. This will consist of a short video, provided by Moose Intl., and a few tidbits about our lodge. It will also let you meet some of the officers that do so much to help make our lodge successful.

Right now we are planning this to be held on the 3<sup>rd</sup> Monday of the Month. New members will receive a card inviting them to the orientation to learn more about our lodge, about the Moose, and to see a short video presentation about Mooseheart and Moosehaven, a few words about our lodge operations here at Lima #199. Refreshments and sandwiches will be provided after the orientation.

Although some lodges make this mandatory, we are not right now. However, I do encourage new members and even older members who have not heard the story of the Moose to try to attend one of these sessions and see what our mission entails as a Moose Lodge.

Watch for signs in the Lodge and also check the calendar insert for tentative dates and times for these New Member orientations.

Also, a friendly reminder, PLEASE remember to clean your table after enjoying yourself at THE FRIENDLIEST PLACE IN TOWN.

HOPE TO SEE YOU ALL SOON

## Women of the Moose Chapter # 52

Like us on  
Facebook

Hello Everyone

I would like to take this time to thank everyone as I begin my year as Senior Regent for the Women of Lima Chapter 52. I am very appreciative of your support. As we are just getting started with a new year I have many goals in mind. I am a strong believer in team work and feel that I have a great board of team members that will be a great help. I know the Women of the Moose will only become stronger as we all work together to help our lodge grow. I am anxious to work with the committees as we continue to support various projects in our community as well as Moosehaven and Mooseheart.

We have had successful Moose Races and bake sales which we plan to have again on May 18th at 6:30. All of our committees will be raffling various prizes throughout the summer months and helping each other to raise monies for their committees. We all plan to help each other out as our adventures for our monthly assignments approach. I feel that we have all done a great job with this over the past years and will continue to work together and support the Women of the Moose over this next year to come.

My biggest goals are to increase membership, to have more ladies join us for ladies game nights and meetings, and of course most of all to have fun as we all work and grow together. I am always open to suggestions.

I also wish to thank the men who have helped to support our efforts and certainly plan to continue to support their efforts as we all work and grow together for the benefit of the Lima Lodge.

Our meetings are on the 1st and 3rd Monday of the month at 6:00. Please plan to join us. Also you can like us on facebook@Women of the Moose Lima Chapter 52.
