**FEBRUARY 2015**

**Governor's Corner** Can you believe that January is already over? Seems like we just were in Holiday mode, I sure don't know where time goes anymore. Everyone is so busy with jobs, kids, grandkids, lives and everything in between. I want to thank you all personally for finding some time to visit our lodge, whether a little or a lot, it always a pleasure to have you and your families come to visit and share some friendship and fraternalism. Sometimes we forget to tell you, but Tony Haudenschield and I appreciate your business, your assistance with making Kenton 428 one of the best lodges in the State and your loyalty to our Moose organization. Thank you.

Our Moose Legionnaires enjoyed a banquet dinner in January. This was provided as part of their dues and a reward for being part of the degree of service. Our Moose Legion Chairman is Brother Pat Thomas and he did a fantastic job with organizing the evening. Our special thanks go out to our WOTM and to the ladies that cooked and served the meal. You're all the best! Oh, you say "What is the Moose Legion"? How do I become a part of the Moose Legion"? Just see any Moose Legion member and we'll tell you all about it! It's easier than what you think, there are 53 of us. Meetings are every third Tuesday of the Month. This month is the 17<sup>th</sup>.

**MEMBERSHIP and RETENTION!** I can't say it loud enough. As we know, membership and retention is our life's blood here at Kenton. The State is currently sponsoring the "Back to Basics" Campaign to assist you in enticing new members! Of course our biggest asset is the members we already have. Please help me to make Kenton 428 such a great place to be, that no one wants leave! Remember, both men and women may sponsor new members of either sex. Make sure we always earn the title of "the friendliest place in town".

Of course it is Convention month. Our mid- year convention is February 5<sup>th</sup> through the 8<sup>th</sup> and will once again be held in Independence, Ohio. The accommodations are very nice, economical and very easy to get to. If you have never been to convention, please accept my personal invitation to join us. If it's all week or just a day, you'll have a great time. The information on Moose operations, the contacts you make, old friends that you'll see and the fun and fellowship is just priceless. See the OSMA website for news, the agenda and pre-registration instructions.

We have activities planned right here at our lodge as well. February is the month of love and we will be hosting a Valentine's Night Dinner and Dance downstairs. We will have a full lasagna dinner with the trimmings, entertainment for the evening by The Hower Trio, 50/50 drawings and MOOSE RACES, all for just \$10! Come out and enjoy the evening. Get your tickets early. Check out the website for all of our upcoming events at [www.kentonmoose428.com](http://www.kentonmoose428.com).

**Finally;** congratulations go out to our Moose of the Month; Brother Robert Jenkins was selected this month. Rob has organized and is the Chairman of our new "Moose Riders" chapter. YES WE HAVE A MOOSE RIDERS CHAPTER NOW! Thank you Rob for the work you do for our lodge. Have a great month, *Steve and Heather*

## THE SENIOR REGENT'S CORNER

Hello,

January is over and ground hog day is next. Then a very special day of Valentine's Day is approaching. A wonderful day to remember your love of your life. Sometimes we don't say it enough and let that special person know what they really mean to you.

The Mid-Year Conference is coming up this month and I'm sure we will have a good time.

We plan to have a child ID day so bring your child in and have your child register. Watch the bulletin board and Moose Vision for more information.

Our breakfast is going well. This month it will be held Saturday February 21 8:00 to 11:00. Remember it is all you can eat for one price.

I hope everyone is staying well and thinking about Spring. I want to put out my thankfulness to the ladies of our chapter for stepping up during my absence. Thank you to all who helped.

Until next month take care and stay well,

Senior Regent Peg Herron
