MARCH 2016

Governor's Corner

Greetings to you all,

I want to thank you all personally for finding some time to visit our lodge; I know it's easy to become "homebound" during these cold days. Hold on though, daylight saving's time begins on the 13th (remember to "spring forward") and spring will officially be here on the 20th. Keep the faith 428; warm weather is on the way!

Last month was Convention month. It was so nice to see so many of Kenton 428 members there. We were very well represented and a lot of us took advantage of the training and information that was offered there. As a matter of fact, our lodge as well as the entire District 3 had 100% attendance for both days of the conference. The conference itself was very insightful and passed along great information to make our lodge even more successful.

Come out and get more involved at our lodge. Now is a perfect time to show your interest. Our LOOM will be accepting nominations for Officer positions for the upcoming elections in April. The information is posted on the information board along with the nomination slips. Whether you wish to be an elected officer, fill an appointed position such as Sgt. at Arms, serve as a committee chair or just wish to volunteer, come out and get INVOLVED! Our Moose Legionnaires is a great place to start. Also referred to as the degree of service, it is the backbone of our organization. Meetings are every third Tuesday of the Month. This month is the 15th. Come out and see what the Moose Legionnaires are all about.

Coming up, we have plans for a great St. Patrick's Day Party on the 17th! Come out and get your Irish on at Kenton Moose 428. No one has a better time than us. Check out the website for all of our upcoming events at www.kentonmoose428.com. Like us on Facebook!

The Fire ring has been installed and signifies the exclamation point of a newer, more efficient, more comfortable lodge home. In connection with that, I'm very proud to announce that we have two Moose of the Month selections for March. Many people helped with the fire ring project and to a certain extent we all have our names on it. However, Scott McKinniss got the project started by donating the ring to the club and Dick Wilcox was the driving force to install it. It is beautiful and Kenton 428 is one of the only lodges with anything like it.

Congratulations to our brothers Dick Wilcox and Scott McKinniss (both Moose Legionnaires) on their selection as Moose of the Month. Good work Brothers!

Remember the District 3 meeting is March the 20th in Celina! We'd love to see you there!

Happy Easter! Steve and Heather
