DECEMBER 2015

### Governor's Corner

Greetings to you all,

Well, the end of this year is here! It has been a great year and Kenton Moose 428 is doing well, even with all the changes that we are experiencing. I hope that your Thanksgiving holiday was great! I'm sure that it was full of fun, family, friends and great food. Now we turn the corner into the Christmas season, Heather and I's favorite time of year. No other time expresses the love of family like the Christmas Season. I hope you enjoy it to its fullest. The lodge looks great, thank you to all that showed up to help with the Christmas decorations.

As our football season with the local school systems as well as our beloved Buckeyes comes to an end, I want to say what a pleasure that it's been watching and listening to the games with you. Thanks to all of our "Game of the Week sponsors" including some of our local Hardin County Farmers, Brian Phillips from Financial Matters, Newland Insurance, Precision Strip, Chris Rogers from Shane's Shirts, Mt Victory Drive Thru and Tice Construction just to mention a few. Thank you all for supporting Kenton Moose 428!

We will once again be celebrating Christmas Eve at our lodge with our "Tom and Jerry" party on December 24<sup>th</sup>. Of course we will close early and remain closed for Christmas Day so all of our valued employees can spend that day with their families as well. Moose Lodge 428 has some outstanding entertainment scheduled for this month ending up with our New Year's Eve party featuring The Diesel Band. Make plans to join us for this once a year party and bring in 2016 with a fitting Moose get together. No one has a better time than us.

Make sure to check out the website for upcoming events at [www.kentonmoose428.com](http://www.kentonmoose428.com). Our bartender Hillary has taken over our Facebook and is doing a wonderful job. There's no easier way to know what's happening at your lodge than liking our Facebook page! (There will be a DJ on December 23<sup>rd</sup>! Look for details on Facebook!)

Community Service Alert! Our lodge will be sponsoring the Christmas giveaway. Mary Roby is the Chairperson of this great community service project. It allows

our members to show how big our hearts really are and donate presents to area children that may be less fortunate than we are. What a great Christmas tradition that this has become. The tree is up in the entrance way with many names to choose from. I understand that new names have already replaced the ones that have been chosen by our members. Please contact Mary with questions. Of course when you see her please remind her of the great member that she is. Good work Mary!

Anyone that wishes to become more involved at our lodge, please come and see me! Remember, your opinion of this lodge is important to me. Please feel free to use the suggestion box at the entrance to the social quarters.

Our Lodge appreciates everyone that serves it, our volunteers and committee men and women. We could not run without you all. Another great example is Dick Wilcox. Many of our members helped with the retaining wall project, which will be the future home of our fire ring. Dick was our committee chairman that got that project completed and made that area a great addition to our lodge. Thank you to all that helped!

Finally; I'm pleased to announce that Brother Dick Wilcox has been chosen as our Moose of the Month. Dick has been a great addition to the Officer's board and quietly gets things done for Kenton Lodge 428. Thank you Dick.

On behalf of my wife Heather, son Sean and I, have a grand, safe holiday filled with Joy and Wonder. From my family to yours, have a very Merry Christmas and a prosperous New Year!

Have a great month, Steve and Heather

## Moose of the Month!

Congratulations to **Dick Wilcox** for being named the December  
Moose of the Month!

## WOTM 863 Chat

Here it is December already and Christmas just around the corner. I love the transformation of the Lodge into Christmas, it always looks so nice when it is all decorated for the holidays.

We have a couple of announcements for December.

First and foremost I would like to thank all of the women that put so much time and effort into making the chapter successful. This is a huge and sometimes extremely daunting task. The energy that they all put forth makes it easier on everyone.. I could not do it without their help every week and cannot begin to put into words how grateful I am for them. Recently, Paige Wallace and Hillary Buxton were nice enough to volunteer to help out with some duties for the Chapter and Lodge. I am excited to see their fresh perspective on current events at the Lodge!

Secondly, we will no longer be having the Monday night meals after the first of the year. I would like to thank those members that have been loyal and supportive to our diners the last few years. We appreciate your patronage to our chapter.

And last but certainly not least is the kids Christmas party. This will be held on Dec 19 and is going to be Breakfast with Santa!. Santa will be on hand from 9 - 11 am and then due to his busy schedule this time of year will have to leave. The kids will receive breakfast at no charge, a picture with Santa, a gift and treat bag. This activity is for kids 12 years old and younger. Please make sure that you get your kids and/or grandkids signed up as we will only be able to ensure that we have enough breakfast and gifts for those children that are signed up.

Chapter meetings are held the 1st and 3rd Thursday in the lower level of the lodge at 6:30 pm. If you have any questions or suggestions, please feel free to bring it to a meeting. We welcome any new ideas and of course MEMBERS! We are currently 10 members down from the beginning of the chapter year. If you know of anyone that is thinking of joining or rejoining, please encourage them to do so.

Everyone have a great December and hope to see you all at the Tom & Jerry party on Christmas Eve!

Heather Harford, Sr. Regent
