Member Retention Week is an annual program to help our volunteer leadership highlight retention, with the opportunity to gain recognition and awards for our lodges and chapters. Moose members know that retention is an ongoing process; however, we are asking EVERY Lodge, Chapter and Moose Legion to spend just a little more time this week

focusing on activities to renew your expired members and reinforce your value with existing members. Preplanning is necessary to make Member Retention Week a success. At your next meeting assign a “captain” for this event, who will coordinate your week’s activities. Choose new events that fit with your Lodge/ Chapter, but make sure that you utilize your normal calendar activities as well. Don’t forget your current members! Member retention should not only focus on members who are expired but also current members. Lodges and chapters that participate in International Open House Day, October 27, may use the event as one of their activities for Member Retention Week. Simply indicate your participation on your form following Retention Week.
