- abdominal aortic aneurysms, which can lead to a ruptured aorta
- hardening of the arteries in the legs, which is a strong predictor of heart disease
- atrial fibrillation or irregular heartbeat, which is closely tied to stroke risk
- a bone density screening, for men and women used to assess the risk of osteoporosis.

## FROM THE PRESIDENT

Hello Moose members! The summer of 2021 is coming to an end too soon. The lodge will be closed on Labor Day and the staff will be enjoying some family time. In August, the lodge hosted many events. This included: live music on several Saturday nights, volunteer Friday meals, a kids movie night event and our lodge hosted the State Horseshoe Tournament on the final weekend. Two lucky college students earned \$500 scholarships each from the lodge. We had many Sylvania members attend the Ohio Moose Association Convention in Independence, OH. Moose International is promoting a membership drive. All members are encouraged to recruit just one new member this year. This simple goal will double our membership. September brings more fun events at the Sylvania Moose Lodge. Don't miss more live music, a comedy night, Texas hold 'em poker, the 1<sup>st</sup> annual Sylvania Moose car show, and the 2<sup>nd</sup> annual Oktoberfest and a Reverse Raffle Drawing. This fall more volunteer Friday meals will return. If you have a great recipe that you would like to prepare and serve for our members, please contact me for available dates. Our events are possible because of the hard work of Moose volunteers. The lodge needs your support. Get involved and have fun making new friends volunteering at the Moose.

As most of you know, we are searching for a new Administrator. We have postings in the lodge to submit resumes. The Board of Officers has set a deadline of September 10<sup>th</sup> 2021 to receive resumes from those interested. A special hiring committee (including non-officers) will be involved in the first round of interviews. The committee will report to the Board of Officers their suggested candidate/candidates. The Board will then do final interviews and make a hiring decision in the best interest of the lodge. By Moose International rules, this person will be named Acting Administrator for a period of up to six months. When the Board is satisfied with their performance, they will vote to make the position permanent. At that point, the final vote in a General Membership Meeting is needed for approval. Good luck to all candidates!

*FRATERNALLY, MIKE STRUBE*

## ATTENTION NEW MEMBERS ORIENTATION

and/or spouse are invited to attend.**

## FROM THE SENIOR REGENT

What an amazing summer we have had! The Christmas in July Party & Family Movie Night were a huge success and so, SO much FUN! These events would NOT be possible without the support of my fellow WOTM officers: Mary Hornyak, Marsha Warrington, Anita Campbell and all of the wonderful volunteers: Hanah Linares, Michelle Ward, Brandy & John Tyburski, Jim & Julie Dake, Coco Huff, Georgia Strube, and last, but certainly not least, Justin Dake! A special shout out to the Dunk Tankers: Paul Trestan, Brent Oerle, Luke Cutlip, Jeremy Hopkins, Wendy Sherman, Marvin Cowden and Mike Strube. Speaking of Wendy Sherman, I'd like to congratulate her as our WOTM of the Month for September! If you see Wendy around the lodge please extend a congratulations for all of her efforts at our Lodge & for our Chapter.

Looking forward to seeing you lovely ladies at our next WOTM meeting on Monday, September 20<sup>th</sup> @ 6pm in the Kid's room. Also, please save the date for our next WOTM light meal on Friday, September 17<sup>th</sup> hosted by Sue Ohneck & friends.

As much as I love these hot summer days, I am looking forward to sweatshirt weather, chili & football!

*GRATEFULLY YOURS, LINDSEY DAKE*
