Hello Members, my name is James (Jim) Pierce, I am your Governor for the 2015/2016 new year. I am very excited about the upcoming opening of our Lodge. It is a new year and a new beginning for us and our new membership. We hope that the renovations to the building will be what you as members expected from your Board of Officers. We will be sending information out soon. Looking forward to a new era.

LETTER FROM YOUR ADMINISTRATOR

Hello Members,

I know many of you are wondering when we will be opened. As of May 27th, we are waiting on three important inspections, once these inspections are signed off, we will open our doors to the membership. We will be sending out the news thru our website, Newsletter and a post card notice, check website by logging in at Moose 1245 moosepages, Newsletter thru the OSMA website and of course your mail. Myself and The Board of Officers are asking for your help, donations to off set some of the cost of opening our lodge. We hope members will make a monetary donation. Your contribution will help with the cost of the privacy issues set by the city. We need to have fencing and trees done by the end of June. Your support is needed, you may send your donation to the lodge. Any questions call 614-567-6332 or 614-868-1501.

Fraternally, Ken Fridley, Administrator
