WOTM CORNER

March & April 2018

As cold and flu season will be coming to an end and we will be welcoming Spring, let us transition ourselves out of hibernation and look to ways we as women can stay healthy and happy. Remember happiness comes from within. No one person or one thing can make you happy. Smiling at others is contagious, always remember to smile, it may bring a little joy to someone else's life that is not in a good place.

The goal for March and April is to come to our meetings and bring your ideas of ways to improve the health and wellness of our members, whether that be a new recipe, new activity, new exercise routine, meditation, etc.

Here is a quote from Paramahansa Yogananda

"An important part of the adventure of life is to get hold of the mind, and to keep that controlled mind constant attuned to the Lord. This is the secret of a happy, successful existence."

SAVE THE DATE!!!

Meetings for 2018 will be held on the 3rd Wednesday of the month, please try to attend.
