## From the GOVERNOR

Hello. I am Ed Caryer, and I am the new governor here at the lodge. I would like to take this time to say a well-deserved thank you to Larry and Mary McGuire. They have been working hard on upcoming events and the past events here at the Moose.

We have a busy summer ahead; with a lot of activities and dinners. So, come on out and have some fun and support the lodge, as well as the causes they support.

Thanks to everyone who come out for the Memorial Day breakfast. The Mother's Day dinner also turned out well. Our Lodge Officers and Moose Legionnaires did a great job on both events.

Ed Caryer, Governor

## Straight from the **ADMIN'**

First off, please accept my apology for failing to produce a May/June newsletter. I was a bit overwhelmed with the transition into the new Lodge year. Join me in welcoming Ed Caryer as our new Governor. Ed, his wife Angie, along with their son, Deacon are no strangers to the Moose. Angie has served as a Chapter Senior Regent, Deacon received an honorary volunteer award, and Ed was voted Moose of the Year in 2017. I know we will have a productive year (or two) with Ed in the pilot seat. Congratulations to Larry McGuire for completing two years of successful governorship. Larry and his wife, Mary did a fantastic job in helping our Lodge grow; both in membership and activities.

We hope to continue our growth by adding Summer Taylor to the management staff. On May 1st, Summer accepted the position of Club Manager. Look for some pleasant changes in the Social Quarters under Summer's management, including a new menu and theme-based celebrations.

Your Board of Officers has also been busy addressing the needs and issues of a growing organization. As we began looking into replacing carpet and ceiling tile, we realized that it is time to consider the need for professional architectural and engineering design services to help guide us in the future adaptation and utilization of our facility. At the board's request, Beilharz Architects, Inc. submitted a proposal to perform current and conceptual preliminary design services "for a fee not to exceed \$5,975.00." Because the expenditure is over \$5000, we

will hold a special meeting to discuss and vote on the proposal at 6:30 p.m. in the Lodge meeting room on Monday, July 23rd.

With the summer now in full swing our attention turns to the park, where we will enjoy three Morbapaloozasis family movie nights on the last Friday of June, July and August. Party in the Park and Mooseberry Jam dance/concerts on July 20 and August 10 will feature local favorites Wally and The Beavs and Pete Schlegel (with Tina Mae), as well as rockers Valor and country favorites, Riverbend. What a line up for both events! Be sure to check out the antique and vintage car show hosted by the Vintage Motor Car Club of America, Defiance Chapter on July 14th. They will be set up in the park and in the rear parking lot where they will offer rides in many of the antique vehicles. The Moose is truly on a Mission.

Fraternally,

Bill Hesselschwardt
