Blessing of the Bikes Cancelled
The safety and well-being of our members and children at Mooseheart is paramount always, but especially in the wake of the pandemic COVID-19 virus. Already, campus events have been cancelled in April to maintain the healthiest environment possible at Mooseheart, and classes have also been cancelled indefinitely as we become more aware of the time needed to defeat this disease.

It is with these thoughts in mind that Moose International has made the difficult decision to cancel the 2020 Blessing of the Bikes, scheduled for May 16th on the Mooseheart campus.

This would have been the 17th consecutive event for our Moose Riders and the surrounding communities, which typically kicks off a full summer of activities. The Riders also provide needed financial support for the campus through fundraising efforts before the Blessing.

Although, the event has been cancelled for May, the Fraternity thanks the Northern Illinois Moose Riders, Lombard Lodge 2350, and St. Charles L.I.F.E. for their efforts and support over the years.
