Greetings Ohio State Moose  
Association Members and Visitors

Welcome to the 2018 Ohio State Moose Association Mid-year conference. During the conference, let us ALL take time to come together in fellowship with our Moose Brothers and Sisters throughout the Great State of Ohio.

I would like to welcome our official visitor, Brian Toseki, Supreme Councilman from Muncy Valley, Pa. Lodge #866. So when you see Brother Brian, please give him our "O-H-I-O" welcome.

This Mid-Year's conference is filled with great events for all to enjoy including: Recognizing our 5/25 club members with a party featuring "Summertime Fun", Saturday night we will be hosting a "live Auction" with all proceeds going to O.S.M.A. special fundraising activities. I would like to thank all Lodges, Chapters, Districts, and Moose Legions for donating to this special event.

Also during the conference, we will have "Topical Sessions" which I hope everyone will take this knowledge back to your lodge to make our fraternity stronger. This all starts back at your lodges with focusing on membership/ retention, and creating new ideas in getting our younger members to join and get involved.

Thank you to all who have supported our Great Moose Fraternity throughout the year. As you know, we have made our One million dollar commitment to the Moosehaven Centennial Project and we are still going strong to hopefully make it to another one million dollars. Always remember Mooseheart and Moosehaven in your prayers.

Once again, welcome to Cleveland, enjoy your Mid-Year Conference and have safe travels home.

Fraternally,

*Tony*

# NOTES

**PROGRAM EXTENDED THROUGH APRIL 30, 2018!**

## Honor Our Community Heroes Through Moose Membership

Each community has its share of local heroes, whether it's a member of the military or a local firefighter or police officer. They are often asked to handle high-risk situations, putting their personal safety in jeopardy. Beyond that, on a daily basis, they are viewed as role models that have the ability to make positive changes for their community and beyond.

### How can the Moose honor these local heroes?

- Through the gift of membership! It's a natural fit for those who look to make the best of difficult situations, just as Moose members try to improve the lives of those they touch as well.

- From January 1st through April 30th, 2018 Moose International will waive all first-year fees and dues for active military personnel and first responders and encourage our lodges and chapters to do the same. If you know someone who is serving our country or provides first responder services for your community, now is a great time to reach out and offer them a membership in the Moose.

- It is our hope that these individuals will learn about the great things we do for children, seniors and our communities, and want to stay involved, step up and even lead on behalf of these noble causes.
