## *February, 2010*

**Ohio Co-Workers:**

**It's February – time is really flying and the end of the year is fast approaching! We are looking forward to the Mid-Year Conference at Independence, Ohio and we hope you are planning to attend. It should be a lot of fun and very informational with our official visitor Judy Sisson of Moose International and our State Deputy Grand Regent Katie Leptak of the Hamilton Chapter.**

**To be successful in Ohio this year – we must get the word out to all our Ohio co-workers about the importance of promoting membership and retention, so we can maintain and grow our membership in Ohio**

**Remember our Ohio Challenge was to show an increase in membership this year and we have the opportunity to do so. Ohio W.O.T.M. has the second highest membership of all the states, thus we have a lot of members to help us achieve this challenge.**

**The latest report from Moose International as of January 28, 2010 showed us still with a decrease in members from last year. The “Be A Piece of the Solution” membership campaign as of January 28, 2010 shows Ohio chapters have signed 2,437 members or 42.84% of our quota of 5,689 members. There are 16 chapters that have reached their quotas. Way to go chapters!**

**I know this has been a tough year for fraternal organizations and the economy in general. Please do your very best in sponsoring members and calling our current members in arrears to renew for the good of our fraternity.**

**Our chapters are trying hard this year, and everyone always appreciate your efforts and hard work. We must not give up, think positive – there is still time to turn the situation around for our chapters and Ohio.**

**Happy Valentine's Day – hug someone today!**
