## March, 2010

Co-Workers:

***A great opportunity for all our Ohio co-workers – Get on board the Moose Member-ship campaign. Sponsor two members between March 1 and May 31, 2010 and wave your next year’s dues goodbye! View the new International Membership campaign information and poster at OhioMoose.com Download this poster and plaster it all over your lodges!***

Here is an incentive that is just too good to pass up! Get your co-workers geared up with excitement and motivation to finish this year with a bang.

**Don't count on the luck of the Irish this month!** Use your heads and get on board with this campaign – we need everyone's help to finish this year!

Here is a list of suggestions that you may want to review:

1. Call or contact all your co-workers in arrears & also former members who may be interested in re-enrolling. Enlist all your chapter co-workers to help. The personal touch can help convince a member to renew.
2. Call or contact all the new co-workers who signed up the last two months of last year with a reminder, and asked if they enjoyed their membership this last year, have any questions and plan to renew.
3. Hold a Moose Phon-a-thon on Saturdays with great food and fun. Have co-workers bring their cell phones and give a prize for the most phone contacts made.
4. Host a Ladies Night out at your Lodge to gear up all members and have music, reduced cost drinks, and door prizes. Maybe some new dance steps would be great! Invite your prospective members for fun!

***Ohio must be “A piece of the Solution” – Go Ohio!***
